

2016 commencement mural wall proposal form

The Student Affairs Office invites proposals for the 2016 Commencement Mural Wall, to be on display for the Commencement Reception on Sunday, May 15. The mural wall offers an opportunity through which to convey the emotion and celebratory nature of the day for graduating students, their family and friends, and faculty and staff. A successful proposal will combine an innovative design with careful consideration of the spirit of the event. Proposals will be considered from any current SFAI student or group of students, but priority will be given to graduating students. A committee of faculty, staff, and students will assemble to choose the winning proposal. A small stipend will be provided to the successful applicant(s) to purchase supplies.
