- Artist statement (a one-page essay about your primary interests in making art)
- Letter of recommendation from an art teacher or teacher who is familiar with your artistic interests
- $65 application fee

International Applicants: Non-U.S. Citizens/Permanent Residents are required to obtain F1 student visa authorization to participate. Please contact the Global Programs Office for assistance at international@sfai.edu or 415.749.4530

Due to our small program and course sizes, acceptance into the program and course selection is competitive. We recommend applying early by the priority application deadline of April 1, 2016.

Acceptance to SFAI PreCollege does not automatically enroll you in courses. In addition to applying early, we recommend submitting your tuition deposit promptly in order to have the best chance of getting into your first-choice courses. You will be notified by phone and e-mail of an admissions decision within one week of receiving your completed application and materials.
