to move out and with full contract charges assessed.

This Residence Agreement shall not be assignable or transferable by Resident under any circumstances.

It is understood and agreed by Resident and Institute that no long-term agreement or any interest in real property is created

If the Resident requests that the notice requirement be waived, such request must be accompanied by written verification of one of the following:

1. End of student status - certification from the Registrar’s Office required.

VIII. CANCELLATION AFTER THE START DATE

The Resident has five (5) days to vacate the facility from the date the Resident is released from the Residence Agreement. The Resident will forfeit their $450.00 housing deposit and will be charged an $800.00 Early Termination Fee. The Resident shall also owe an amount equal to a prorated charge for each day from the start/move-in date through the deadline to vacate.

If the Institute is unable to find a suitable replacement for the Resident, to the effect that the overall occupancy of the facilities is adversely impacted, the Resident will be charged for room fees through the end of the term of this Residence Agreement or a lesser fee as determined by the Institute.

IX. EARLY TERMINATION BY SFAI

A. To promote a quality living environment for all, please be aware that if in the judgment of SFAI, a resident fails to comply with the policies and other requirements of SFAI, this may result in notice to move out from the residence, without refund and with charges due. Institute may terminate occupancy rights before the scheduled termination date by leaving at the unit, written notice for early termination and for licensee to move out, if any of the following circumstances has occurred, as determined by SFAI in its sole discretion:

4. Administrative necessity of Institute.
5. Any criminal, health or safety need as determined by SFAI.

Please note that action for early termination is independent of possible student discipline.

C. If a Resident's contract is terminated by the Institute because of subsection A(1) or A(3) above, the Resident will forfeit their $450.00 security deposit and will be charged for room fees through the end of the term of this Residence Agreement or a lesser fee as determined by the Institute.

The Resident shall also owe an amount equal to a prorated charge for each day from the start/move-in date through the deadline to vacate and shall be subject to any damage billing as outlined in the "policies and procedures".

X. ABANDONMENT OR TERMINATION BY RESIDENT

Except as permitted in Section VI, or VII of this Agreement, termination of this Agreement or abandonment of the living unit by Resident shall not release Resident from paying any obligation due to Institute for so long as Institute does not terminate Resident’s right to an assigned bed space. In the event of termination or abandonment, Resident shall have the right to be released from this Agreement if a suitable replacement acceptable to Institute is found subject to payment of termination or other non-refundable fees indicated above.

XI. DESTRUCTION OR UNAVAILABILITY

In the event that bed space is destroyed or is unavailable as the result of conditions not reasonably foreseen at the time this Agreement is made, Resident shall be entitled to a pro-rata refund of any fees applicable to periods after Resident was required to vacate. Such conditions include, but are not limited to, damage caused by floods, slides, fire,
earthquake, or other natural disaster, vandalism, civil disorder, compliance with state or federal law, or unanticipated interruption of basic services. In the event Resident is to occupy bed space that cannot be occupied on the designated start/move-in date (“Start Date/Move-In Date”) due to an anticipated delay in completion of refurbishing of the Residence and the Institute is not able to provide temporary accommodations, not less than ten (10) days prior to the Start/Move-In Date, Institute will notify Resident in writing of the estimated delay. Within five (5) days following the date of such notice, Resident may:

(1) Elect to terminate this Agreement by giving Institute written notice of termination, in which event Resident shall be entitled to an immediate refund of all amounts paid to Institute; or
(2) Elect to find temporary accommodations without the assistance of Institute during the period of such delay, in which event Resident shall be entitled to a pro-rata refund of any fees applicable to such period.

Under no circumstances will Institute be liable for actual or consequential damages proximately caused by an inability to deliver bed space to resident on the designated start/move-in date.

Resident shall vacate the living unit on the expiration of the Agreement or upon the effective date of notice of SFAI for early termination, whichever occurs first.

Submission of the debt to a collection agency will result in negative credit information reported to credit bureaus. If any of these collection steps are necessary, the debtor will be held liable for any attorney fees, court costs, and any other collection costs that may occur. Indebtedness may result in "holds" being placed on grades, registration, financial aid, and transcripts.

XIV. RIGHT OF ENTRY

Institute and its agents shall have the right to enter the living unit at any time occupied by Resident for the purposes of emergency, health, safety, maintenance and repairs, inspection, management of applicable rules and regulations, or for any other purpose. Institute and its agents shall exercise these rights reasonably and with efforts to respect Resident’s privacy.

Institute and its agents shall have the right to enter the living unit at any time after Resident was obliged to vacate on the expiration of the Agreement and/or was obliged to move out upon or after the effective date of notice of SFAI for early termination.

XV. INSURANCE

XVI. VISITORS AND GUESTS

Resident shall permit no visitors or guests to enter SFAI Housing and/or living unit except as permitted in the Policies and Procedures applicable to SFAI Housing. Persons other than Resident may not stay at the Premises more than a total of 10 days in any academic semester.

XVII. NON WAIVER
The waiver of any breach of a term or condition of this Agreement shall not constitute a waiver of any subsequent breach.

**XVIII. TAXABLE POSSESSORY INTEREST**

It is the position of Institute that this Agreement does not create a taxable possessory interest in real property. However, pursuant to Revenue and Taxation Code 107.6, Resident is hereby notified that a taxing authority may take a contrary view and may assess Resident property taxes based on Resident’s interest in this Agreement.

Resident shall not have the right to assign this Agreement or any interest under this Agreement or any portion of the Residence without SFAI’s prior written approval, which SFAI may withhold in its sole discretion.

D. **Holding Over.** No holding over after expiration of the Term without SFAI’s express written consent is allowed.

E. **Agreement Construed as a Whole.** The language in all parts of this Agreement shall be construed as a whole according to its fair meaning and not strictly for or against either Institute or Resident. Resident acknowledges that Resident has read and understands this Agreement and has received a copy hereof.

F. **Severability.** If one or more of the provisions of this Agreement shall for any reason be held to be invalid in any respect, such invalidity shall not affect any other provisions of this Agreement, and this Agreement shall be construed as if such invalid provisions had not been contained in it.

G. **Entire Agreement.** This instrument, together with any Exhibit(s) to it, which are incorporated by reference, and the provisions of any documents referenced as included herein, constitute the entire Agreement with respect to the subject matter hereof and supersedes all prior offers and negotiations, oral and written. Resident hereby acknowledges that Institute has not made any representations or warranties with respect to the Residence, or this Agreement, except as expressly set forth herein. ALCOHOL
The use of alcoholic beverages must be in compliance with California State Law and is strictly limited to those persons 21 years of age or older. The possession, transportation, and or consumption of alcohol by individuals less than 21 years of age is strictly prohibited. Alcoholic beverages may not be consumed in public spaces or common areas. When alcohol is being consumed by persons 21 years of age or older, the doors and blinds to the private room where the alcohol is being consumed must be closed, and no persons under the age of 21 may be present. Beer kegs and other common source containers are categorically prohibited from all residential and common areas, public or private. Residents under the age of 21 are not permitted to host in their living unit guests and residents of any age who are in possession of alcohol. Residents 21 years of age and older may not serve, provide, or purchase alcohol for residents or guests who are under the age of 21. At no time may persons under the age of 21 be present while alcohol is being consumed in the residence halls. Alcohol containers, open or closed, which are left in plain view shall qualify as evidence of alcohol consumption and can be assumed to be the property of any and all persons present, or of the residents of the living unit in the event that they are found in a room when nobody is present. Providing alcohol to minors is grounds for legal action and disciplinary sanctions including notice to move out of the residence and suspension.

ALTERATIONS AND MAINTENANCE
Residents shall not use paint, ink, wallpaper, decals, or bumper stickers to make alterations to the interior or exterior of the premises or to the grounds surrounding the premises. No walls may be drilled to secure heavy objects such as bookshelves, artwork, mirrors, etc. No electrical fixtures, decorations, or hanging objects may be installed or suspended from the ceiling. Only blue painter’s tape may be used to hang items on the walls. Signs may not be placed in or on the windows. No locks may be placed on interior doors. Upon checkout, residents agree to leave their room in the same condition as when they moved in. Residents will be charged for any and all damages to the premises.

APPLIANCES
Overloading of electrical circuits can present both fire and safety hazards. When additional electrical outlets are needed, residents must use electrical power strips with built-in circuit breakers. Extension cords are not permitted. All electrical appliances must be approved by Underwriters’ Laboratories (UL). The following appliances are PROHIBITED in ANY room of the SFAI Residence Hall:

- Open element appliances such as toasters
- Sun lamps
- Skillets, toasters, rice cookers, George Forman grills, or any other food preparation appliance.
- Halogen lamps/tungsten lights
- Warming and hot plates
- Heaters of any type or any other appliance that draws significant electricity or generates heat or fumes.

BED SPACE ASSIGNMENTS
San Francisco Art Institute will assign each resident a bed space within the SFAI Residence Hall. SFAI reserves the right to change bed space assignments, or to assign a new resident, or reassign a current resident to any unoccupied bed space within the SFAI Residence Hall at any time for reasons of health, student welfare, administrative necessity, or as a result of administrative action. A resident in a double or triple occupancy room may have a new roommate assigned to share their space at any time without prior notice.

BED SPACE CHANGES
Bed space changes will be conducted during designated periods during each semester. During all other times, bed space changes will be made on an emergency and administrative need basis only. Requests for changes in bed space assignments must be approved by the appropriate Residential Life staff and generally will not be considered during the first and last two weeks of each semester. Resident billing statements will be adjusted to reflect any changes in type of accommodations. Failure to follow the guidelines for changing bed space assignments will result in additional administrative charges.

Residents are prohibited from taking an unauthorized roommate or permitting any part of their room to be shared by any persons not assigned by SFAI. Residents are prohibited from relocating to another room or exchanging rooms with another resident without permission. A resident moving without approval may be required to move back, may be assessed a fine, and may face disciplinary action.

BICYCLES
Students are allowed to bring bicycles into the Residence Hall, however, they are not permitted to store, park, or temporarily keep bicycles in common areas of the residence hall such as hallways, doorways, or lounge space where they may create a fire hazard. Bicycles that are left after move out are subject to disposal.

CANDLES AND INCENSE
Candles and incense are not permitted in the Residence Hall.

CARS AND OTHER VEHICLES
Parking facilities are not included, and, given the central downtown location of SFAI housing; on-street parking is difficult. CLEANING REQUIREMENTS
While we realize personal hygiene and room cleanliness is in part an individual decision, as a member of the residential community, you are responsible for maintaining an environment that is free of offensive odors and excessive filth. Each resident is expected to maintain reasonable standards of cleanliness in private living areas and public spaces. If unclean conditions come to the attention of the Residential Life staff, you will be notified and given an opportunity to clean the area. Common bathrooms and bedrooms with attached bathrooms should have windows open or exhaust fans on to prevent common mold and mildew. If this is not done in a timely fashion, you will be charged for the time and labor it takes to clean the problem areas. Building staff will repair all damages to the facility and the residents responsible will be charged. Upon move-out, each resident is expected to restore rooms and common areas to their original, clean condition (normal wear and tear excepted).

Resident may be held responsible, under the current Residence Agreement, for policy violations occurring during prior residence periods. As members of the SFAI Residence Hall community, residents are held responsible for their own actions and for soliciting or assisting another’s involvement in any SFAI policy violations.

Instructions on appealing will be provided in writing.

Violations of probationary or warning letters also subject a resident’s Residence Agreement to termination. No refund of housing fees are provided to students removed from housing for disciplinary reasons.

Conduct and administrative action may also be taken against anyone found to have destroyed, defaced or misused the SFAI Residence Hall and/or SFAI property. Residents are expressly forbidden from making copies of room card keys or from allowing anyone else to use their room card key or entrance door card key for any reason. questions? contact sfai housing and residential life at 415.351.3556 or housing@sfai.edu
Residential Life staff promotes the healthy development of roommate relationships through activities, mediation, and completion of Roommate Contracts. Room reassignments will not be made during the first two weeks of each semester. All room change requests must be sent to the Resident Director. Requests will be granted at the discretion of the Resident Director only after efforts to mediate any conflicts or concerns. ROOMMATE/COMMUNITY EXPECTATIONS
In accordance with the SFAI Residence Hall and SFAI policies, all residents are expected to consistently demonstrate the ability and willingness to maintain reasonable relationships with their roommates and neighbors. Residents who anticipate or observe violations of the SFAI Residence Hall policies are expected to remove themselves from participation and are encouraged to report the violation to the Residence Life staff. Residents and/or their guests who are present during any policy violation are considered condoning, supporting, and/or encouraging the policy violation, and will be held responsible for the violation. Residents are strongly encouraged to seek the assistance of an RA when needed in roommate or community situations.

Gender Neutral Housing Request Form Spring 2015  
(Supplemental)

The Housing and Residential Life Office offers a gender-neutral housing option in our residence halls. Students have the option of sharing a room with someone who identifies with a different gender.

We created the gender-neutral housing option in an effort to provide a healthy, inclusive and welcoming living environment for all of our students. We understand that some students may be more comfortable sharing a room with someone of a different gender identity. We also understand that gender identity can be complex, and that the gender identity spectrum not only includes people who identify as male and female, but also those who identify as transgender, FTM, MTF, and genderqueer, among others.

If you would like to live with someone of a different gender, please fill out the information below and return it along with the rest of the housing application. If you have a specific roommate or roommates in mind, you can complete this form and add their names to your housing application. To be placed with specific roommates, they must have your name on their applications as well.

Students who do not wish to be considered for a gender neutral housing assignment do not need to complete this supplemental request form and will be matched with a roommate following our traditional roommate pairing procedures.
