SCREENPRINTING

Irene Carvajal

Monday–Friday, July 29–August 16

10:00am–11:30am

Here is the list of materials to create a home screen-printing studio. I've included kits and also separate items. The kits are great for intro classes but when people get excited about printing they may want to venture into better materials so I've included the separate list for that purpose.

MATERIALS

[Speedball kit](#)

[Speedball hinged screen](#)

SEPARATE MATERIALS

[Screen](#)

[Squeegee](#)

[Hinges](#)

Drawing fluid (Elmer's glue works well as a drawing fluid)

[Screen filler](#)

[Diazo emulsion](#)

[Pink Stuff \(screen Filler remover\)](#)
