

**COMMON CURRICULUM ARTICULATION AGREEMENT
FOR STUDENTS WHO WANT TO TRANSFER
FROM CITY COLLEGE OF SAN FRANCISCO (CCSF) TO SAN FRANCISCO ART INSTITUTE (SFAI)**

San Francisco Art Institute accepts courses from California Community Colleges that meet the following Intersegmental General Education Transfer Curriculum (IGETC) standards for undergraduate degree requirements common to all bachelor’s degree programs at SFAI. Transfer students are not required to complete the IGETC pattern before transferring to SFAI, but CCSF courses that are in the following IGETC Subject Areas may be transferred in to the Liberal Arts block of the undergraduate degree programs. Visit assist.org to view courses that meet the IGETC subject areas.

This document lists only requirements common to all undergraduate degree programs at SFAI. For major-specific requirements, consult the [CCSF to SFAI Major Requirement Articulation Chart](#).

Course catalogs and offering are subject to change. Please check the most current online catalog for CCSF. If there is a course not included on the list below that you wish to inquire about with regard to it applicability to a major requirement, please contact transfer@sfai.edu. For questions on transferring from a school not listed here, please contact transfer@sfai.edu.

Each SFAI Requirement below is 3.0 credits

For any courses transferred in that are fewer than 3.0 credits, multiple courses must be taken to fulfill SFAI credit requirements. Excess credits resulting from completion of multiple eligible courses may be applied to electives if applicable
